President's Report

Hi everyone,

I hope this finds you and your loved ones all well.
The past two months have seen the Centre fully open and thriving. With daylight saving now in effect, our weekly services begin at 4pm with the doors opening at 3.30pm.. It's been wonderful to see familiar faces returning after the colder months. Along with changes of season, we've introduced a new seating arrangement, a refreshed service format, and welcomed several new chairpersons to our roster-a warm welcome to Darren, Brooke, Rieky, Maria, Leonie and Kylie J for volunteering your time and energy. We have celebrated several graduates completing the Mediumship and Spiritual Healing Level 1 and Level 2 courses. Ongoing Mediumship Development evenings, platform opportunities and Spiritual Healing rosters continue to support their growth. Over the past months, the centre has offered a variety of Tarot, healing and well-being classes, providing valuable opportunities for both members and the wider community to learn and connect. Community interest in our Centre continues to grow, with more events being hosted in our space. Highlights include the 9D Breathwork Journey on Saturday, 8th November and the Live Psychic Show with Marie Antoinette on Saturday, on 15th November. Details for these and other events, including the FREE Workshop for current financial members prior to the Live Show, can be found on our Facebook Page. We're also excited about the arrival of our Crystal Healing Bed, which will be introduced once training is completed-likely after our return from the Christmas break in early 2026. A gentle reminder that our Suggestion Box is located near the entry to the seating area. If you have feedback or ideas, please include your name and contact details when submitting them. The box is opened monthly at the start of our committee meetings and only signed suggestions will be minute for discussion. This allows me to follow up directly where needed.
As Christmas approaches, we are preparing for our final service of the year -
Our Candlelight Service on Sunday, 14th December at 3pm.
This special gathering will replace our regular Sunday service and will feature the traditional candle lighting, a special healing segment, plenty of singing with the choir, and of course, a visit from Santa!
If you would like Santa to present a gift to your child, please bring along a wrapped gift with their name on (to the value of $20)
We will conclude the day with a shared meal-a lovely way to celebrate together.
Our first service for 2026 will be on Sunday, 18th January 2026 at 4pm.
Please keep an eye on our Facebook Page for updates and announcements.
I look forward to seeing you at the Centre soon. If I don't see you before the holidays, I wish you a joyful and safe Christmas, and many blessings for the New Year ahead.

Love and light,
Wiki President

A POSITIVE AFFRIMATION: for 2026

I step into the New year with confidence, clarity and an open heart. I welcome new opportunities, release what no longer serves me, and trust that everything unfolding is for my highest good.

Channelled Message: by Joyce Taylor

Create your day from the moment you are aware of where you are, even before you open your eyes.
Breathe and smile, as no matter what is going on, you are present with yourself to just be.
Acknowledge your breath, acknowledge your body, and acknowledge the love surrounding you.
Be selfish and indulge in the beauty of what you are living in, your body, you home, your temple, your sanctuary, personal space, whatever you know it as. Being happy comes from within your heart space. Breathe into it and acknowledge it with open arms.
Learn to enjoy your own company as it can take it's toll as we move away from our familiar comfy surroundings, however, only if we allow it.
Don't be so hard on yourself with what is not happening and be grateful and enjoy what is.
Be patient with yourself and learn to love yourself more with each day that follows. That is growth right there, and you should be proud of yourself.
Look into the mirror, breathe, smile and hold your head high, I LOVE YOOUU!

From me to you with love.
Joyce.

Channelled Message: by Maria Capone

As summer warms us, warmth and light are the universal offerings of the sun, every day available to you.
Allow the vibrant energy of summer to inspire you to shine your light, may your spirit be lifted and your soul be nourished so you may reflect to all around you and they to you. A gentle ripple of peace, joy and love. May you find time to connect with nature, with your loved ones and your inner self. Allow time each day to take you on a journey as you sit or walk in nature and attune to loving spirits who surround and support you along your daily path. May you feel rested as your day ends, and you reflect on your blessings. The simplicity and power of the spirit that dwells in your humanness. Allow the embrace of spirit to nurture and hold you in peace, joy and comfort.
