Listed below are the Seven Principles which we follow.

1 The Fatherhood of God
2 The Brotherhood of Man
3 The Communion of Spirits and the Ministry of Angels
4 The Continuous Existence of the Human Soul
5 Personal Responsibility
6 Compensation and Retribution Hereafter for all Good and Evil Deeds done on Earth
7 Eternal Progress Open to Every Human Soul

Each of the Principles are open to your own personal interpretation and understanding.

Presidents Report

Dear Members,

I hope you are all keeping warm and well. Since our last newsletter, there has been plenty happening at the Hills Spiritualist Centre.

We successfully held our first Open Day, introduced our pre-service Crystal Bed Healing sessions, improved our Facebook presence, established a dedicated subcommittee to develop our new website, and are now preparing for our upcoming Annual General Meeting. A heartfelt thank you to everyone who volunteered their time and energy to make our first Open Day such a success. To our readers, healers, those who managed bookings, assisted with tea service, looked after book sales, and warmly welcomed our visitors—your support was invaluable. The day was a wonderful success, raising $1,400 for the Centre. The Open Day also provided an opportunity to showcase our Crystal Healing Bed. Visitors who purchased a reading or healing on the day went into the draw to win one of three 30-minute Crystal Healing sessions. Congratulations to Rosa, Christine and Kylie A., our lucky winners. We are delighted that they all enjoyed their healing sessions and shared such positive feedback. We are now pleased to offer pre-service Crystal Bed Healing on the first, third and fifth Sundays of each month.

Our regular pre-service Spiritual Healing continues on the second and fourth Sundays. All pre-service healing sessions are conducted by two certified Centre healers.
It is also exciting to announce that our brand-new website was launched this month. A dedicated subcommittee has worked behind the scenes to bring this project to life, and we look forward to sharing it with you. The login to the website is : www.hillsspiritualistcentre.org.au

It has been wonderful to see attendance at our Sunday Services continuing to grow, with many new faces joining us and familiar faces returning following the disruption caused by COVID-19.

To those returning, welcome back. We are so pleased to have you with us again. I would also like to sincerely thank all of our volunteer mediums who generously give their time each Sunday. Your dedication in sharing messages from our loved ones is deeply appreciated by both the Centre and our congregation.

As we prepare for our Annual General Meeting on 5 July, I look forward to welcoming our new Committee. Together, I hope we will continue to make thoughtful decisions that serve the best interests of the Centre and its members. Our members have placed their trust in us, and I look forward to working together as we continue moving the Centre forward while supporting and embracing everyone on their own personal spiritual journey.

It is encouraging to see our membership growing once again. After careful consideration, the Committee has decided to increase the annual membership fee from $25 to $30. However, we are pleased to advise that the concession membership fee will remain unchanged at $20.

Donna Young will be presenting a Psychic Show at the Centre on Friday, 24 July at 7.00 pm. Donna has generously offered to donate a portion of the proceeds to the Centre, so we encourage everyone to come along and support what promises to be a wonderful evening. Further details can be found on our Facebook page and at the Centre.

We are also receiving increasing interest from people wishing to hire our facilities for classes and special events. Be sure to keep an eye on our Facebook page and our new website for upcoming workshops, classes and exciting events. There are many exciting opportunities ahead, and I would like to thank each and every one of you for your ongoing support, encouragement and commitment to our Centre.
Love and light to you all.

“The point of power is always in the present moment”

Presented by Gordon Lambkin –
A True Medium by Langton National Spiritualist Church,

"Many people wish to become mediums, to see the spirit people, to hear them speak, to obtain counsel, to heal the sick, to help the bereaved, to give advice and assist those who are in need.

This desire is sometimes simply that of satisfying the personal ego, to be different from other people, the wish to be looked to, and to put on the mantle of mysticism.
Mediumship has a purpose, and that is to demonstrate to man that he is not just a physical being, but that he is a part spirit, that this life is but an apprenticeship for the greater and fuller life that commences with the physical death.

That through this knowledge mankind will receive the impetus to adopt an enlightened code of values that in its evolvement will outlaw war, poverty and the other ignoble trends in our present way of life.
Thus, the true motive that inspires mediumship is a spiritual one. If this is not so, then no reason can be found for the great efforts the evolved personalities in spirit life, the teachers, philosophers, doctors and others, make to use human instruments for the progression of all souls.

Therefore, aspirants to mediumship should possess that inner yearning to be used for the higher purpose, and to view their seeking of mediumship as a means to help others.
It should be the denial of selfishness and the giving of the self to a spiritual purpose. A true medium thereby becomes a participant in the divine plan for the furtherance of good. "

Astrological Predictions for July/August, using Tarot,

by Rieky from Psychic Pathway's, Luluai Spiritual Group

Aries		Mostly the same old routine, but something new is emerging. Help it along with allowing your creativity to flow. Now is the time to take that chance. Let the old ambition take shape. The new freshens the old and you win.
Taurus		The project not only is achieved but helps you to be grateful for all that is around you. You have worked hard and should enjoy your success while allowing new ideas to emerge. Not the end, but a new path appears.
Gemini		The choices you have made and argued about have lead you to a new project. Do not think that the lack of money will stop you. Think again and you will find a way you can go ahead. There is enough
Cancer		Major clearing of obstacles. There is a smoother road ahead if you simplify routines. Make it all short, sweet and simple. The clearer path leads to greater gains. Others will benefit by you showing integrity.
Leo		You have been tactful and you will see the benefits issues clear out of your way. Take a breath and be proud of your actions. There seems to be a bit more money around and you now have better habits.
Virgo		Feeling blocked? I would listen to the ideas of a passionate young male, whose ideas can bring inspiration. A new way to solve any issues and keep going. You are on the right path.
Libra		Celebrate the wins and enjoy your ability to keep to your to do list. It is the path you chose and it is working for you. Any changes will come naturally as you move forward.
Scorpio		A new passion? Something is making you feel warm and happy. Feeling there could be two options and you should be able to do both. One seems creative and one could be a new activity that makes you smile.
Sagittarius		Feeling low about missed opportunities, but there is options and with the bridge, there seems a new path which will give you more than you could have expected. Let go of the past and embrace the love.
Capricorn		Celebrations for these two months are not just for projects fulfilled, but new paths now able to be followed. An exciting time to allow inspiration. Choose the ones which have entertainment value.
Aquarius		Dreams coming true is rewarding and should build confidence in to moving forward with plans. Feeling of hope and bravery as you want to take chances. Old plans you thought were over, now become possible.
Pisces		Shock changes. A clearing of the way, but you may be on an unexpected path. You will have to work hard to find the results you want in life. Seems you were going off track. Meditate and listen to what is the better way for you
